Introduction

Welcome to your new directory of community venues.

Whatever you need a venue for, you should be able to find somewhere suitable here.

This guide has been developed as a partnership between Adult and Family Learning and Cultural Services with resources from the Transformation Fund project funded by the Department of Business Innovation and Skills.

Many of the venues which appear in this document support learning of all kinds and we hope the guide will help new groups who wish to find a place to meet to learn together will find it of value. The venues in this guide offer space to all kinds of groups and activities for all ages and interests and the variety of use reflects the huge range of interests of residents of the city. To the best of our ability we have checked all the details the guide contains but we would be very pleased to welcome comments and suggestions for improvement including notice of any venue you think should be in the Directory but which is not, or any errors in the information the directory contains.

Please send your comments to culturalservices@portsmouthcc.gov.uk.

If you would like a hard copy please contact 023 9283 4085.

This directory is still a work in progress and will continue to be updated with new venues as we are notified of them.

Please note, the entries in this guide are not endorsed by the City Council.

Bradbury Suite: This is a large venue in the original church dome. The arched windows which provide lots of natural light and a blue and white colour scheme ensures that this room is breathtaking. Wells Smith Room and adjoining kitchen - more traditional with a fully equipped kitchen and stunning original features, such as the windows, which provide superb natural daylight. Lindisfarne Room: small meeting room ideal for meetings with up to 6 people or individual consultations.
