

What wastes can I take to the Recycling Centre?

The Recycling Centre is not a rubbish tip! There are different bins so you can sort your waste and make sure as much as possible is recycled. Materials you can recycle include:

	mixed paper & card		mixed textiles & clothes
	electrical		batteries
	garden waste		scrap metal
	paint		used engine oil
	hardcore & rubble		wood & timber
	gas bottles		household & garden chemicals

You can also dispose of non-recyclable rubbish at the centre.

Over half of all the waste you bring to the centre is recycled. Plans for the new centre aim to increase this.
