Are you thinking of becoming a childminder?

Before you take the next step you should attend the childminder briefing session run by the council.

The briefing session will last approximately two hours. It will cover:

• What is a childminder?
• What are the ‘rules’?
• What training do I need to do?
• How do I register?
• What is it like to be a childminder?
• How do I run a childminding business?

The briefing sessions will also be an opportunity to find out more and ask questions.
