

Application for consent to display an advertisement(s)

In addition to the National mandatory documents you are also required to submit the following:-

- (a) 2 copies of existing and proposed elevations to a metric scale of 1:50 or 1:100
- (b) 2 copies of a side section to a metric scale of 1:50 or 1:100 showing the extent of projection of all proposed signs
- (c) 2 copies of photographs showing the existing signs if you are applying for replacement signs or of the elevation the proposed sign is being fixed to if you are applying for a new sign
- (d) 2 copies of a photomontage showing the proposed sign(s) in situ
- (e) 2 copies of a drawing to a metric scale of 1:50 showing the size, materials and colours to be used in the proposed advertisement(s) and details of their colour(s) of method of illumination.
