Dear Consultee

ADMISSIONS POLICY CONSULTATIONS 2019-20 FOR MAYFIELD ALL-THROUGH SCHOOL AND ST GEORGE'S BENEFICIAL CHURCH OF ENGLAND PRIMARY SCHOOL

The local authority is the admissions authority for the above schools and is undertaking a statutory consultation to make the following changes to the admissions policies for these schools for 2019-20.

Mayfield All-through School, Mayfield Road, North End, Portsmouth PO2 0RH

The proposal is to give higher priority to siblings applying for the school, including siblings living outside of the school's catchment and to lower the priority of children eligible for service premium.

St George's Beneficial CE Primary School, Hanover Street, Portsea, Portsmouth PO1 3BN

The proposal is to give a higher priority to siblings applying for the school than applicants with parents having a religious conviction to attend the school.

The draft policies for 2019-20 are attached along with a response form. The consultation runs from now until 31st January 2018. If you require any further information please contact Admissions (details above).

Yours faithfully

Sue Barratt/Sarah Rich
