

Disabled Facilities Grant Process

An Occupational Therapist (O.T) will assess your needs and refer you to Private Sector Housing for a Disabled Facilities Grant (DFG).

We will help you make an application for a DFG, collect your financial information from you for the means test and agree the adaptation that will be done.

We will confirm you are eligible for the grant and confirm how much you need to pay (if any), then get builders quote for the work.

Approval of the grant. You can then arrange a suitable date to start the works with the builder

Once the works are complete, an Officer will check the works and with your agreement pay the grant to the builder.

How do I apply?
