

# New Bransbury Park leisure centre

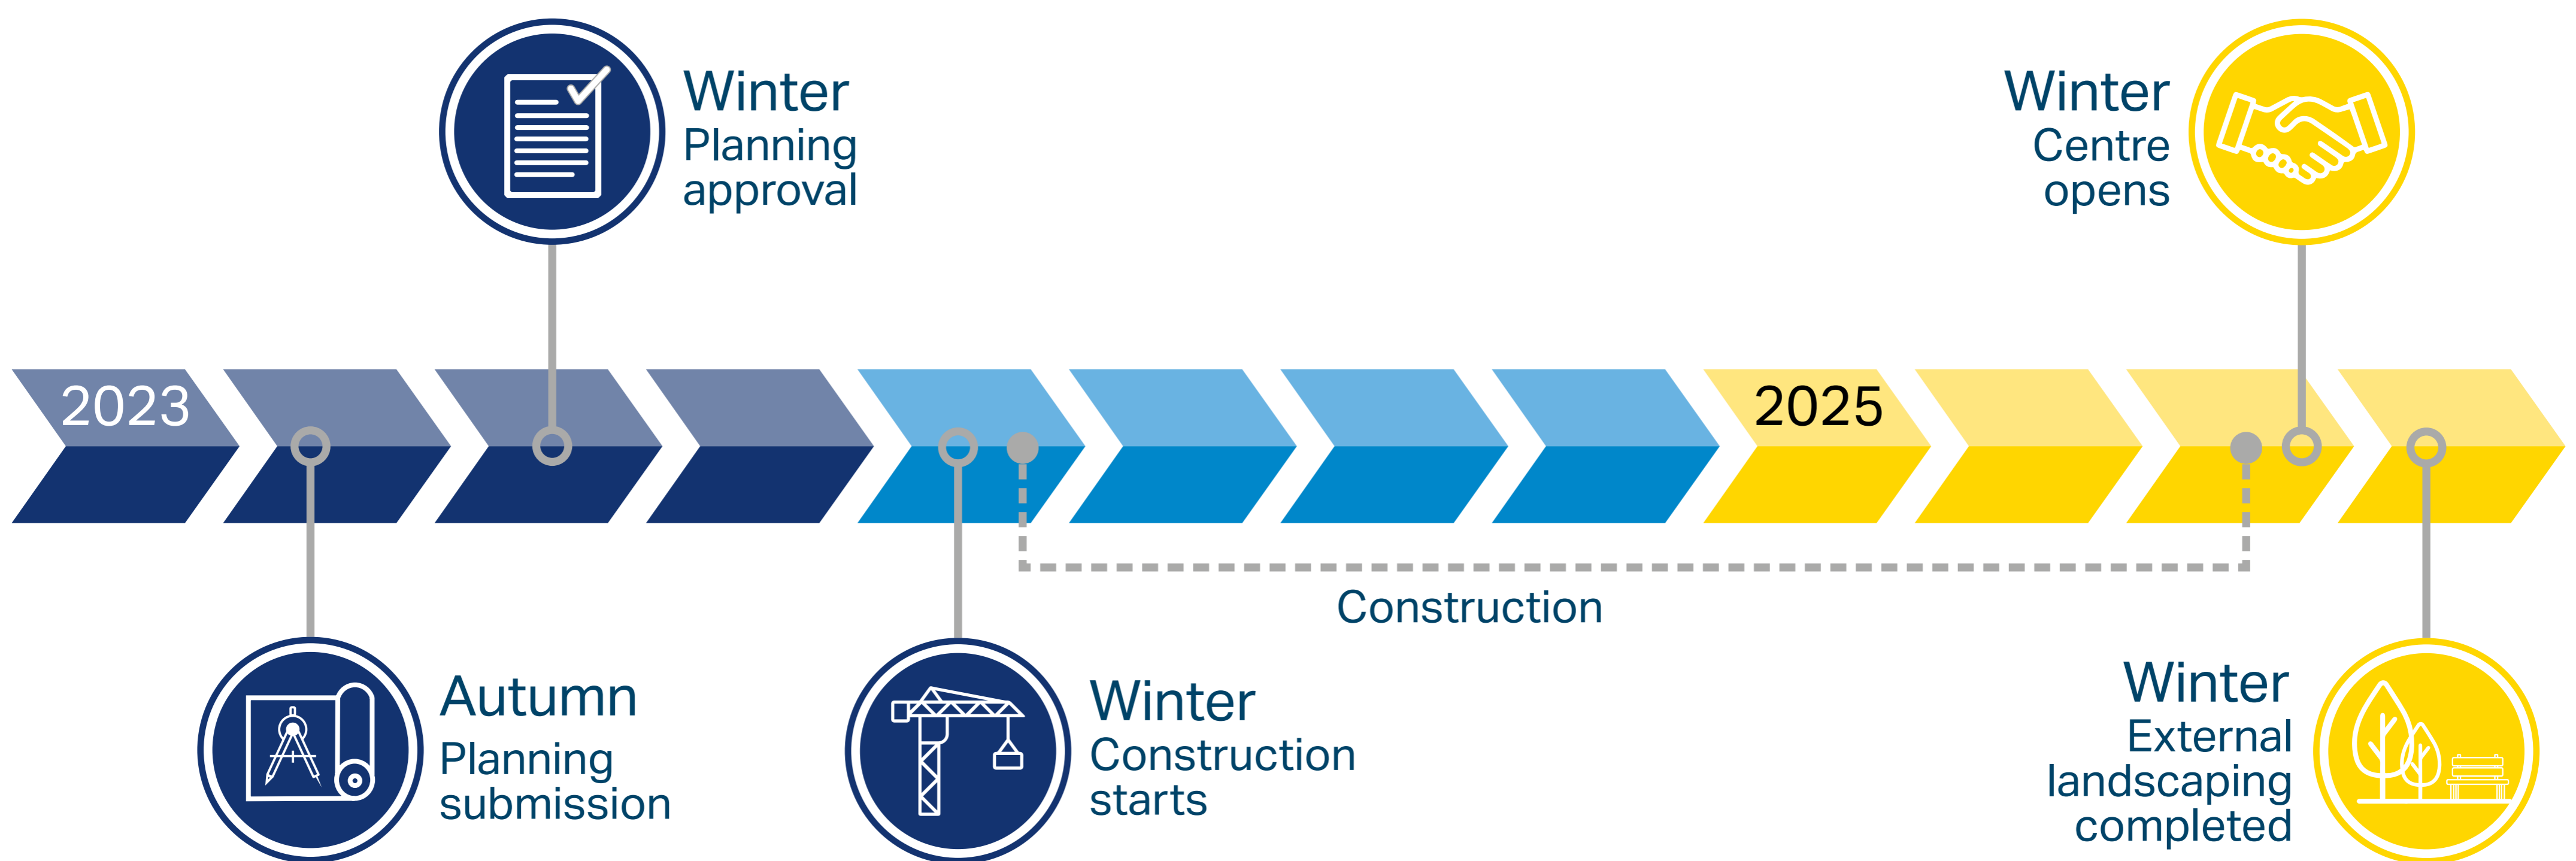

## public consultation - March 2023

### 1 TIMELINE & PREVIOUS CONSULTATION

#### Introduction

We're planning to build a new leisure centre to bring sports and swimming facilities together in a new modern and ecologically-sound hub at Bransbury Park. We're investing in sport and leisure to strengthen our communities and support greener, healthier, and happier living. Our plans don't involve losing any of the existing grass areas.

#### Timeline

#### Previous consultation

In a city-wide sports and leisure facilities consultation in November/December 2020 to seek views on current sport and leisure facilities in Portsmouth, 63% of respondents 'agreed' or 'strongly agreed' with opening a new sport and leisure centre in the city.

In a more focused sports and leisure users' consultation in February/March 2021, to understand views of stakeholders, to research local need and to gather feedback on the mixture of facilities at a new centre, 94% of respondents said they would be 'likely' or 'very likely' to use the new centre.
