

# You said, we did

Using residents' top results, we've put together eight pledges for Hilsea Lido. We're committed to our pledges, however, heating the pool is not possible as our electrical supply plant cannot facilitate this.

1.  
**Open the lido more often for everyone to enjoy**

2.  
**Explore the potential of heating at least part of the pool**

3.  
**Include a food and drink facility**

4.  
**Provide play equipment and a diverse range of activities and events**

5.  
**Make the lido welcoming and accessible to everyone**

6.  
**Improve shower, toilet and changing facilities**

7.  
**Create a well-maintained, attractive, and fun facility**

8.  
**To make the lido as affordable as possible**
