

# PARK & STRIDE

We understand that some families need to drive children to school. If you live outside the catchment area or travel directly to/ from work and can't avoid travelling by car, why not 'Park & Stride' by parking further from school and walking the rest of the journey? This reduces traffic congestion on roads closest to school, plus it's great exercise! The map indicates roughly how long you'll need to walk if you park within the marked areas.

-  **NO PARKING**
-  **VERY LIMITED PARKING**
-  **LIMITED PARKING**
