

STATEMENT OF REASONS

THE PORTSMOUTH CITY COUNCIL (VARIOUS ROADS) (WAITING RESTRICTIONS) (No 6) ORDER 20**

This project delivers bike hangars accommodating 6-8 bikes including cargo/adapted bikes and they will be located in areas around the city based on demand from residents and where there is space on the highway.

Locations will be in areas where properties do not have rear access making it easier for residents to store and have easy access to their bicycle.

This Order is being proposed for the following reasons:

- a)** for facilitating the passage on the road or any other road of any class of traffic (including pedestrians); or
- b)** or improving the amenities of the area through which the road runs
- c)** for any of the purposes specified in paragraphs (a) to (c) of subsection (1) of section 87 of the Environment Act 1995 (air quality)

In authorising the advertisement of these proposals the Council has given consideration to its duty under s.122 of the Road Traffic Regulation Act 1984 to secure the expeditious, convenient and safe movement of vehicular and other traffic (including pedestrians) and the provision of suitable and adequate parking facilities on and off the highway (while having regard to the matters specified in s.122 subsection (2) of that Act).
