THE PORTSMOUTH CITY COUNCIL (VARIOUS ROADS) (ELECTRIC VEHICLE RECHARGING PARKING PLACES) (NO. 6) ORDER 2026 STATEMENT OF REASONS

This Order is proposed for the following reasons:

Cleaner, greener, safer - our transport vision for Portsmouth

The proposed EVC bays are aligned with Portsmouth City Council's vision to live in a city with a travel system that is greener, cleaner and safer for all.

Supported by the Portsmouth Local Transport Plan (2021-2038) Policy B, Support infrastructure for electric vehicles, and the Portsmouth Air Quality Strategy (2017-2027).

This Order is being proposed for the following reasons:

- a. for avoiding danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising; or
- c. for facilitating the passage on the road or any other road of any class of traffic (including pedestrians); or
- f. for preserving or improving the amenities of the area through which the road runs
- g. for any of the purposes specified in paragraphs (a) to (c) of subsection (1) of section 87 of the Environment Act 1995 (air quality)

In authorising the advertisement of these proposals the Council has given consideration to its duty under s.122 of the Road Traffic Regulation Act 1984 to secure the expeditious, convenient and safe movement of vehicular and other traffic (including pedestrians) and the provision of suitable and adequate parking facilities on and off the highway (while having regard to the matters specified in s.122 subsection (2) of that Act).
